We are all
Born dead.
The end exists
Before anything begins.

If living
Is a constant quest for awareness,
The awareness we gain at the end is the real goal.
In other words, death
Is the discovery and complete understanding
Of the end.

We are not permitted to seek awareness.
Those that cannot transcend death
Will not find awareness in anything.

WHEN LIFE RULES, FLESH COVERS THE BONES.
WHEN DEATH RULES, THE BONES BECOME EXPOSED.
IT'S THE SAME WITH US.

MY POWERS INCREASED.
I BECAME DOMINANT...
...AND ZANGETSU BECAME A PART OF ME.
THE MORE YOU TRIED TO DRAW ON ZANGETSU'S POWERS...

A KILLER INSTINCT !!!
HOW ELSE DOES ONE POWERFUL BEING DOMINATE ANOTHER?
